Working Together, Inspiring and Nurturing Everyone to Achieve and Grow

3rd November 2023

Meet the Team

Hello, I'm Mr Clark. I've been teaching at Moorlands since 2014 and have worked across the school, except for Year 5. I'm currently the subject lead for Design and Technology and I oversee opportunities for Outdoor Learning. Each year I organise for a group of children to take part in the Manchester Schools Climbing Competition. When I'm not teaching I enjoy nature and the outdoors (walking, running, mountain biking, climbing and snowboarding). I like to take Mrs Clark and my two daughters on exciting family adventures. At home I like to cook, bake, and watch films.

Fun fact: I once spent a year teaching abroad in the USA, living in Denver, Colorado, close to the Rocky Mountains.

Welcome back to Autumn term 2 to what looks like being a very busy half term!

We have started thinking about our Christmas preparations already and are on the lookout for any donations of old decorations (or even trees) for the new classrooms.

We are also getting ready for our fair and are asking for jam jars (either filled with treats or empty) and any small, sweet treats or toys that would fit in jars for the tombola. Finally, if you are having a clear out of teddies to perhaps make room for more– we will gladly find a home for them. All donations should be sent to school with your child.

Thank you in advance.

Have a safe and enjoyable bonfire weekend!

Poppies and other goodies are on sale at break times to raise money for the
