Working Together, Inspiring and Nurturing Everyone to Achieve and Grow

1st December 2023

Meet the Team

Kia ora, I am Mr. Bourne, I work in year 6 and I am originally from New Zealand. I have been living in England for over a decade now and have just recently become an official British Citizen. In my spare time (which is limited having a two-year-old) I enjoy reading, walking the dog, watching movies and spending time with my family - including my two cats. I love challenging all pupils to be their best both academically and socially and being a part of the Moorlands community.

Well done to 5D who led the assembly this morning, telling us all about the books they have been enjoying this term as well as adding some Christmas cheer!

The assembly next week will be led by WN.

Today marked the end of a 34 year era-Mrs Ashbourne our school cook retired. We would like to thank her for her years of dedicated service cooking lunches for thousands and thousands of children. We wish you a long and happy retirement.

SEN coffee morning

Our next coffee morning for parents of children with SEN will be held on Thursday 7th December 9am-11am. If you would like to attend could you please complete the very short form on the link on class dojo so we can make sure we have enough mince pies and biscuits.

Well done to our cross country runners who represented the school last week end at Sale Harriers. Cicely finished 1st in the girls' race and in the boys' race James finished 2nd, followed by Jake in 5th and Sam in 7th place.

The next meet will be on Saturday 16th December at Sale Harriers at 12.45. Please see class dojo for more information and to register your child.

School Street

School Streets

During the consultation for the building of the extended school, concerns were raised by parents and local residents around increased traffic and parking outside of school, particularly on Temple Road.

As a school we liaised with One Trafford and the decision was made to speak to parents and local residents about the feasibility of introducing a School Street on Temple road between the junctions with Dane Road and Broad Road- please see attached map for clarity.

It is proposed to hold a series of one day trials on Wednesday 6th December 2023 and Tuesday 12th December 2023; the attached letter on class dojo gives more details about what this entails and how you can get involved.

We hope that by looking at a way to reduce traffic at peak times we can provide a safe route to school for our children and their families.
