## Meet the Team

I am going into my 24th year of teaching and I still love it as much as I did on my very first day! Standing at the door every morning, welcoming the children into school, fills me with so much happiness. I then usually have a smile on my face for the rest of the day (usually anyway!!!).

Many of the children will tell you about the things I love; rainbows, books, starry dresses, big, unusual earrings, as well as watching football and my beloved Manchester United. My ultimate favourite footballer of all time is Cristiano Ronaldo (I hope to visit Madeira next year in the school holidays and particularly the area of Funchal where CR7 was born). Can you guess my lucky number - it's 7 of course!

When I'm not at school I'm showering my family with smiles, hugs & kisses (even when they don't want them!). I live with Mr Osborne, who I've been with for 30 years next year, my daughter Kitty (who sometimes comes into school to help) who is 13 years old and my son George who is 11 years old. Alongside our family rabbits; Peter and Cotton Tail.

I really love dancing to 80's music especially Wham (I've got a full sized cardboard cut out of George Michael) and I like going out for coffee and nice meals.
